

SAINT JOSEPH UNIVERSITY

## Social Stability Fund

More than 10000 students are registered at the different campuses of Saint Joseph's University.

About 25 % received a financial support from the Office of Social Service, in the academic year 2005-2006.

Now with the war raging in several regions of the country, the number of displaced students until August 10, added to the families who have no more revenues, is around 2000.

This initiative intends to help these students in the tuition (average 6000\$) & the livelihood (average 4000\$) for the coming academic year.
