

## STUDENT INFORMATION AND ORIENTATION OFFICE

The Student Information and Orientation Office (SIO) is a gateway to USJ. The SIO is a team of young professionals who provide prospective students with useful information and guidance for a successful career and specialization choice. From the simplest practical information to the most elaborate orientation, the SIO will always be there to guide your first steps toward the University.

### Information

We will provide you with valuable information about the tracks offered at USJ, specialization options, job opportunities, prerequisites, admission and selection requirements, admission procedures, tuition fees, scholarships, and financial aid offered by the University, etc.

### Orientation

We will offer you an individual orientation service through free sessions organized at SIO, which will allow us to identify your interests and aptitudes in order to determine the field of study or profession that will suit you best.

### Reorientation

If you decide that your current major is no longer matching your academic and career goals, we will help you explore more majors to find the right path for you.

### Shadowing Sessions

Would you like to spend a day in the shoes of a Saint Joseph University of Beirut student? Throughout the year, we organize shadowing sessions during which you can attend classes at USJ, learn about their content, ask questions and get a general overview of a student's life.

In order to attend the shadowing classes, all you have to do is contact us and let us know which course(s) you would like to attend!

### Opening hours

Located at the Rectorate, on Damascus Road, Berytech Building, Ground Floor, the SIO welcomes you from Monday to Friday, from 8:30 AM to 1:00 PM and from 2:00 PM to 4:00 PM.
