

## Grade Medical Education

### Main Language of Instruction:

French  English  Arabic

### OBJECTIVES

---

It aims to offer future specialists a solid training that is theoretical, clinical, and practical, enabling them to diagnose prevalent, urgent, severe, preventable, or treatable diseases based on the main reasons for consultation. Furthermore, it aims to enable specialists to adequately treat pathologies within their specialty, and to collaborate and refer cases that do not fall within their specialty to their colleagues.

### PROGRAM LEARNING OUTCOMES (COMPETENCIES)

---

- Medical Expert: Provide patient-centered medical care within the limits of his/her competence.
- Communicator: Communicate effectively with patients, family and loved ones.
- Collaborator: Collaborate with institutional health care team and other stakeholders (national, NGO, etc.) for optimal patient care.
- Manager: Participate in the management of health care institutions and enhance the efficiency of the Lebanese health care system.
- Scholar: Engage in lifelong learning based on reflection, as well as the creation, dissemination and application of medical knowledge.
- Health Advocate: Promote the health and well-being of patients in Lebanon and the region.
- Professional: Commit to practicing the profession in accordance with Lebanese law, self-regulation, and the ethics of the profession.

### ADMISSION REQUIREMENTS

---

Candidates must:

- Hold a general medicine diploma recognized by the Lebanese authorities.
- Successfully pass the entrance exam for the grade medical education at the Faculty of Medicine at USJ.

#### Specialization Diplomas

##### Anatomical Pathology

Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

##### Anesthesiology and Critical Care

Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

##### Cardiology

Required Courses

- Internship R1 - 60 credits
  - Internship R2 - 60 credits
- 
- 

- 
- Internship R3 - 60 credits
  - Internship R4 - 60 credits
  - Internship R5 - 60 credits

### **Thoracic and Cardiovascular Surgery**

#### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits
- Internship R6 - 60 credits
- Internship R7 - 60 credits

### **Orthopedics Surgery**

#### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits
- Internship R6 - 60 credits

### **Pediatric Surgery**

#### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits
- Internship R6 - 60 credits

### **Plastic and Reconstructive Surgery**

#### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

### **Vascular and Thoracic Surgery**

#### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits
- Internship R6 - 60 credits

### **Dermatology**

#### Required Courses

- Internship R1 - 60 credits
  - Internship R2 - 60 credits
  - Internship R3 - 60 credits
  - Internship R4 - 60 credits
  - Internship R5 - 60 credits
- 

## **Endocrinology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Gastroenterology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Obstetrics and Gynecology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Hematology and Medical Oncology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Infectious Diseases**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Emergency Medicine**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Family Medicine**

### Required Courses

- Internship R1 - 60 credits
  - Internship R2 - 60 credits
  - Internship R3 - 60 credits
  - Internship R4 - 60 credits
- 

## **Internal Medicine and Clinical Immunology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credit

## **Nephrology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Neurosurgery**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits
- Internship R6 - 60 credits

## **Neurology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Ophthalmology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Pediatric**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Pneumology**

### Required Courses

- Internship R1 - 60 credits
  - Internship R2 - 60 credits
  - Internship R3 - 60 credits
  - Internship R4 - 60 credits
  - Internship R5 - 60 credits
- 

## **Pneumology and Critical Care**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits
- Internship R6 - 60 credits

## **Radiology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Radiotherapy**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Rheumatology**

### Required Courses

- Internship R1 - 60 credits
- Internship R2 - 60 credits
- Internship R3 - 60 credits
- Internship R4 - 60 credits
- Internship R5 - 60 credits

## **Urology**

### Required Courses

- Internship R1 - 60 credits
  - Internship R2 - 60 credits
  - Internship R3 - 60 credits
  - Internship R4 - 60 credits
  - Internship R5 - 60 credits
-
