

GATEWAYS

Faculty of Dental Medicine (FMD)

Doctor of Dental Medicine (Practicing Doctorate)

- Holders of a Bachelor in Life and Earth Sciences – Biochemistry from the Faculty of Science (FS) at USJ may be admitted to the first year of dental medicine through file-based admission.

Faculty of Pharmacy (FP)

Doctor of Pharmacy (Practicing Doctorate)

- Holders of a Bachelor in Nutrition and Dietetics or a Bachelor in Medical Laboratory Analysis must sit for a special entrance exam for admission to pharmacy + file-based admission. Certain courses will be validated from the 1st and 2nd years of pharmacy.
- Medicine or Dental Medicine students may be admitted through file-based admission (equivalence depends on the year of study).

School of Engineering of Beirut (ESIB)

Bachelor of Engineering in Computer and Communications Engineering:

- Holders of a Bachelor in Computer Science from the National Institute of Telecommunications and Informatics (INCI) at USJ may be admitted to the 3rd year of engineering through a file-based admission.
- Holders of a Bachelor in Mathematics or Physics must sit for a special entrance exam for engineering. If successful, they may be admitted to the 3rd year of engineering.

Bachelor of Engineering in Civil Engineering and/or Electrical Engineering:

- Holders of a Bachelor in Mathematics or Physics must sit for a special entrance exam for engineering. If successful, they may be admitted to the 3rd year of engineering.

Bachelor of Engineering in Chemical and Petrochemical Engineering:

- Holders of a Bachelor in Mathematics or Physics or Chemistry may be admitted to the 3rd year of engineering through a file-based admission and possibly an entrance exam.

School of Mediterranean Agricultural Engineering (ESIAM)

School of Food Industry Engineering (ESIA)

Bachelor of Engineering in Agri-Food Engineering or Agricultural Engineering:

- Students who have completed the first three semesters of Life and Earth Sciences - Biochemistry at the Faculty of Science (FS) of USJ may be admitted to the 4th semester in Agricultural Engineering or Agri-Food Engineering.
- Holders of a Bachelor in Life and Earth Sciences - Biochemistry or a Bachelor in Chemistry from the Faculty of Science (FS) at USJ must sit for an entrance exam in mathematics, physics, chemistry, life and earth sciences and biochemistry. If successful, they may be admitted to the 3rd year of Agricultural Engineering or Agri-Food Engineering.

National Institute of Telecommunications and Informatics (INCI)

Master in Systems and Networks, concentration: Information Security

- Holders of a Bachelor of Engineering in Computer and Communications Engineering may be admitted to the 2nd year of the Master program through a file-based admission.

Faculty of Science (FS)

Bachelor in Life and Earth Sciences – Biochemistry

- Students who have completed the first three semesters in Agricultural Engineering or Agri-Food Engineering may be admitted to the 4th semester of Life and Earth Sciences – Biochemistry.

Master in Industrial Technology

- Holders of a Bachelor of Engineering in Chemical and Petrochemical Engineering may be admitted to the 2nd year of the Master program.
