

ADMISSION REQUIREMENTS FOR ENROLLED STUDENTS

Students already enrolled in a program or applying for graduate studies must submit a file providing the following documents to the relevant USJ institution:

- A motivation letter clearly specifying the desired program.
- The Lebanese Baccalaureate (General Secondary Certificate) or an officially recognized equivalent diploma.
- Proof of registration and transcripts of validated courses, organized by semester or academic year.
- A diploma supplement for the validated courses.
- Official recognition of any prior degree by the Lebanese Ministry of Education and Higher Education, unless the degree was issued by USJ or the Lebanese University.

* Certification by the Lebanese Ministry of Education and Higher Education of the required documents can only be completed in person in Beirut.

If official equivalencies from the Lebanese Ministry are still pending, applicants may submit a provisional file to the relevant institution. The registration will be conditional and it will be finalized once these documents are obtained. In this case, applicants must sign a commitment letter acknowledging this condition.
