### Information

We provide valuable information about the tracks offered at USJ, specialization options, job opportunities, prerequisites, admission criteria and procedures, tuition fees, scholarships, and financial aid.

### Orientation

We offer personalized free orientation sessions to identify your interests and strengths, in order to determine the field of study or profession that suits you best.

### Reorientation

If you feel that your current major no longer aligns with your academic and career goals, we are here to help you explore other options and find the right path for you.

### Shadowing Sessions

Would you like to spend a day in the shoes of a USJ student? Throughout the year, we organize shadowing sessions during which you can attend classes, explore their content, ask questions, and get a firsthand look of a student's life.

To join a shadowing session, simply contact us and let us know which course(s) you would like to attend!

### Opening hours

Located at the Rectorate, on Damascus Road, Berytech Building, Ground Floor, the SIO welcomes you from Monday to Friday, from 8:30 AM to 1:00 PM and from 2:00 PM to 4:00 PM.
