

UNIVERSITÉ D'ÉTÉ - SUMMER SCHOOL (UUE)

Université d'été - Summer School's mission is to offer future students an authentic and immersive experience of university life within an equally stimulating and inspiring environment. Participants have the chance to discover a wide range of disciplines, develop practical and theoretical skills, and get acquainted with higher education through diverse programs. A true gateway between secondary and higher education, this experience allows participants to better identify their academic aspirations all while stimulating their intellectual curiosity.
