

Magis-M Grant Conditions 26-27

The Saint Joseph University of Beirut (USJ), dedicated to providing pathways of excellence since 1875, offers the Magis-M Grant as part of its academic policy to support students across various fields. This non-social scholarship, named after the Latin word *Magis* (meaning “more” or “greater”), is exclusively available to **candidates applying to the first year of selected graduate programs (Master) at the Beirut campuses and the first year of all graduate programs (Master) at the regional campuses**. The Magis-M Grant offers a tuition reduction for graduate studies (Master), awarded to **the most qualified candidates** based on a **thorough review of their application files**.

Magis-M applications are evaluated based on the application files submitted during the admission period. Candidates may apply for the Magis-M Grant without submitting an admission file initially, as long as they apply to USJ within the announced deadlines if the grant is awarded.

The conditions for the Magis-M Grant are as follows:

- Submit the completed application form along with all required documents as **a single PDF file**, to bureaudirecteur@usj.edu.lb. Applications sent as multiple files will not be considered.
- Attach a copy of your ID or a recent civil status extract.
- Attach a copy of the Lebanese Baccalaureate or its equivalent.
- Attach a copy of your undergraduate (Bachelor) grade transcript and diploma or a certificate of completion, certified by your home university.
- Secure admission to your selected program at USJ.
- Successfully complete **all courses** of the graduate program (Master) to retain the grant.
- If students switch programs, they will lose the grant unless the new program also offers the Magis-M Grant for the current academic year.

The Magis-M Grant is available in the following programs:
