

Donate to Educate

Dear Friends,

In January 2021, the Board of Saint Joseph University of Beirut (USJ) decided that it will not increase the tuition fees for the Spring Semester of 2021.

This bold decision would make it possible for USJ students to continue their studies despite the deep economic, social and public health crisis currently battering the country.

However, this decision will result in a huge expected deficit of 32 billion LBP in the University's budget that will be almost impossible to overcome without your support.

In light of the above, your solidarity with USJ and its students is highly needed and will be greatly appreciated. As part of the "Donate to Educate Campaign", your support through scholarship funds and donations will allow our students to continue their education.

Now more than ever, the next generation needs you! Let us give them hope and help them build and shape a brighter future.

If you wish to join our efforts in standing by our students, kindly find the attached file for more details on scholarship funds or visit our online donation page www.usj.edu/idonate.

The entire community of Saint Joseph University of Beirut is grateful in advance for your contribution!

We know we can count on you!

Sincerely,

Prof. Salim Daccache s.j.
Rector
Saint Joseph University of Beirut
