“WE EDUCATE AND TEACH FOR EXCELLENCE. PARTNER WITH US”

Pr Salim Daccache s.j., Rector of USJ and President of USJ Foundation

The Saint Joseph University Foundation (USJ foundation), established in 2015, is a organization within the University and its hospital, dedicated to helping its students and developmental projects. Being a non-profit, USJ relies on donations and grants to pursue its mission. For this reason, we consider our donors, whether from the generations of alumni or friends, as partners. We have been committed to excellence and values since 1875. Your support will sustain and boost our impact on a Lebanon and a world in dire need of excellence and values, now more than ever.

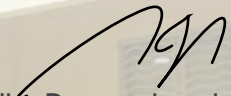

The principle of accountability shapes the governance and operations of the Foundation. USJ Foundation operates through a governing council, steering committee, and executive team. The governance council, composed of external auditors, has been established to articulate the fundraising strategy and monitor the ethical conduct of its activities. The steering committee accompanies the operational team on a regular basis and support the team in achieving their goal. The Foundation is committed to the practice of transparency. Donors receive detailed reports of the use and impact of their donations.

It is true that fundraising activities have been more successful at Anglo-American than French speaking universities. Our alumni community may not be used to contribute

back to their alma mater. Nonetheless, the generous heart and spirit of solidarity need not training. Partner with us in educating and teaching for excellence in Lebanon.

Yes, Lebanon needs you now and you can make a difference. I write these words in a time of tragedy. But it is not a time devoid of hope and light. We are determined to provide the best care to our patients, to help young people stay and grow up in their country. With your help, we want to remain masters of our future. Thank you for your testimony and your friendship. Your donations are precious to us. Recognition is part of our humanistic and spiritual culture.

Pr Salim Daccache s.j.

CAMPAIGNS AND PROJECTS OF THE USJ FOUNDATION

Following the Beirut Port quasi-atomic explosion on August 4, 2020, USJ and its hospital, Hôtel-Dieu de France, suffered massive damages and launched the "USJ/HDF Emergency And Solidarity Fund" which combines 4 fundraising campaigns:

1. **"Donate to Educate"**: in support of USJ students.
2. **"Donate to Rebuild"**: dedicated to the restoration of devastated campuses.
3. **"USJ en mission"**: humanitarian project to support disadvantaged families.
4. **"Donate to Heal"**: in support of HDF.

Donate to Educate

In collaboration with the USJ Foundation and the Federation of USJ Alumni Associations, USJ launched the **2020 Campaign "les uns pour les autres": Donate to Educate**. The goal of this fundraising campaign is to raise 2020 scholarships.

The total amount raised to date: \$5,920,864 USD. Amount to be raised: \$4,179,136 USD.

Emergency Fund for Students Affected by the Beirut Double-Blast Launched by the USJ Foundation and the Federation of USJ Alumni Associations

After the Beirut Port explosion, the urgency has increased exponentially: more than 1,528 students have been affected by the recent events and 125 will require additional financial aid, while the resources of the University are dwindling due to the inflation. The danger of a lost generation is looming. We are hereby launching a call for solidarity. Partner with us to safeguard a plural Lebanon, renowned for its human capital. Earning respectable degrees secures financial autonomy of future citizens, safeguards democracy, and prepares agents of socio-political change.

Our goal is to collect **125 SCHOLARSHIPS** to meet urgent needs. Please find below the donation options:

- Sponsor one or more students by paying their tuition fees (1 tuition = \$15,000 USD per year and per student).
- Participate in sponsoring part of a student's tuition fees.

Donate to Rebuild

The estimated cost for the restoration of our 5 Campuses, as well as our other university and heritage buildings (the Oriental Library, the Monnot Theater, the Museum of Prehistory, the University for All, etc.) all located within a few meters of the explosion stands at more than **\$2,000,000 USD**.

USJ en Mission

More than **300,000 families** have been affected by the explosion. This humanitarian project aimed to provide for the needs of **750 families** by sending them food boxes and hot meals every month until the end of December 2020. We continue to support the reconstruction works of about **77 houses** of USJ students, staff and teachers, located in the affected zone of Beirut.

Project Estimate: \$800,000 USD.

Donate to Heal

Hôtel-Dieu de France, the USJ Hospital, which took in more than **800 wounded on the evening of the explosion**, has launched its **“Disaster Recovery Plan”** and its teams have, as always, been on the front line since the outset, in spite of the material damage suffered at the hospital.

Initial estimates for reconstruction work amount to **\$2,000,000 USD**.

Estimates of HDF requirements for 2021:

- Biomedical equipment: \$3,000,000 USD.
- HDF Social Fund (Patient Support): \$2,000,000 USD.

Hôtel-Dieu de France Hospital (HDF)

In 1923, the University created its university hospital, Hôtel-Dieu de France (HDF), one of the first non-profit French-speaking hospitals in the region.

Today, HDF has 377 beds, 264 doctors, 432 nurses and 400 medical interns. Per year, the hospital manages approximately 19,000 admissions, performs approximately 11,000 surgeries and supervises 30,000 consultations in emergency rooms.

HDF is a hospital center of reference at the national and regional level and is valued for its highest quality of care.
