AM I ELIGIBLE?

I'm not a student. Can I still be a part of choir?

Yes! The Choir is open to everyone!

Is previous musical education a requirement?

Not necessarily. While previous musical experience and studies are an advantage, **it is in our mission to train new talents!**

My voice is not "beautiful"

Beauty is subjective! What we're looking for in our choir members is mainly pitch-accurate voices and a timbre we can work with.

Trained voices can be a plus!

I don't sight read. Can I still be a part of choir?

Of course! While sight reading is an advantage, we will provide you with different tools to learn the music according to your musical background.
