

## CEEDD's Webinar #13

### Between Outdoor & Indoor Pollution: Where do our Lungs Stand?

**Friday November 4, 2022**

6:00 pm - 7:00 pm

Language: Arabic & English

*By the end of this Webinar, you will:*

- Learn the real risks associated with indoor and outdoor exposure
- Be informed about the documented harmful effects of air pollution
- Consider the policies as well as changes of behaviour for a cleaner air

Speaker: **Dr. Mirna Waked**

A full-time Chest and ICU Physician at St. George Hospital University Medical Center in Beirut. Having more than 25 years of experience and expertise in Asthma and Chronic Obstructive Pulmonary Disease (COPD), Professor Waked is a speaker in more than 110 conference presentations in 12 countries, holding 63 medical publications and 2 undergoing studies: "Biomarkers in Asthma and COPD"; and "Diagnostic score for COPD DS-COPD". Dr. Waked is also Member in Advisory Board for Asthma, COPD, and tuberculosis at Astra Zeneca, Bohringer Ingelheim, Novartis and Merck.
