of Venice

OUR PAST, OUR ROOTS

Ca' Foscari University of Venice is a public university that was established in 1868 as the first **International Business School in Italy**.

Our name comes from our main administrative building: a Gothic palace built in the 15th century by one of the city's great noble families – the Foscari family – on the Grand Canal in the heart of Venice, Italy.

UNIVERSITALY

This portal has been designed to help NON-EU students who are willing to study in Italy both for an entire study cycle or for a semester/year abroad, to apply to get a **VISA** for study purposes.

Once you have completed the procedure on the University portal, the International Office staff will check your applications which will be then forwarded by the system to the competent Embassies/Consulates.

Each VISA application will be processed according to the relative methods and time frames of each Country diplomatic institution.
