

# TECHNOLOGY AND INNOVATION IN THE FUTURE OF EDUCATION

 Mar 02, 2023

 09:00 AM (EET)

 Innovation & Sports Campus,  
Saint Joseph University

## AGENDA

### Registration

 09:00 TO 09:30 AM

 Francois Bassil Auditorium

### Opening Remarks by Tamara Elzein and Salim Daccache

 09:30 TO 09:45 AM

 Francois Bassil Auditorium

### PLENARY

## Technology and the Future of Education

Four featured speakers, figures exploring and redefining the intersection of tech and education, will deliver speeches:

- **Ziad Traboulsi:** new technologies, such as VR and the metaverse, connecting learners and teachers in the future.
- **Farshida Zafar:** kickstarting university innovation engines to make the most of technological opportunities.
- **Maha Bali:** building online educational communities where there is meaningful interaction between students and teachers.
- **Dany Mezher and Wissam Youssef:** the process of developing a student information system that is helping USJ to weather Lebanon's financial collapse, while future-proofing the institution against upcoming challenges in the sector.

 09:45 TO 10:25 AM

 Francois Bassil Auditorium

### Video and Concluding Remarks

 10:25 TO 10:45 AM

 Francois Bassil Auditorium

A short video showcasing the new Student Information System produced by CME in collaboration with USJ will be shown, followed by concluding remarks by Tamara Elzein.
