Dear Colleagues,

with reference to the *Erasmus+ programme – KA1 International Credit Mobility between Programme and Partner countries*, please, find below Sapienza's application procedures for incoming students and teaching staff (1st semester 2023-2024).

The application procedure is made out of three phases:

1. APPLICATION PROCEDURES – Preselection and Nomination of the candidates (made by the partner university with deadline on April 15th, 2023);
2. ON LINE APPLICATION – Application and Documents' submission by the nominated candidates on Sapienza's informatic system (deadline on April 30th, 2023);
3. FINAL SELECTION OF STUDENTS AND STAFF - Selection outcomes by June 2023.

1. APPLICATION PROCEDURE

1.1. PRE-SELECTION OF STUDENTS AND STAFF

As stated in the “Quick reference guide for selected higher education institutions in Partner Countries/ Erasmus+ International Credit Mobility” issued by the European Commission, **the sending institution is responsible for selecting participants** and providing them with all necessary support including pre-departure preparation, monitoring during mobility, and formally recognizing the mobility period.

- The selection criteria for participants should be defined by the sending higher education institution, in agreement with the receiving institution.
- The first criterion should be academic merit, but with equivalent academic level, preference should be assigned to students/staff from less advantaged socio-economic backgrounds. Information on the mobility opportunities available and the selection procedure should be made public.
- The selection of participants, as well as the procedure for awarding them a grant, must be fair, transparent and documented and should be made available to all parties involved in the selection process.
- Erasmus+ also encourages the participation of students and staff with special needs.

When selecting your outgoing students, please, bear Sapienza's requirements in mind. In particular, as far as **language knowledge** is concerned, Sapienza will accept students with either:

1. an **intermediate level of Italian language** (i.e. Threshold level B2 or Higher of the Common European Framework of Reference for Languages) – **compulsory for students wishing to attend Italian- taught courses.**

Students can demonstrate their level of Italian with an **official certificate** (CILS - *Certificazione di Italiano come Lingua Straniera*, CELI - *Certificazione Italiano generale*, PLIDA - *Progetto Lingua Italiana Dante Alighieri*, IT - *Certificato di competenza generale in italiano come lingua straniera*, CITA/TELC The European Language certificates and UNiCert) or **alternative qualifications** (i.e. certificate issued by the Home University, language centers/schools, etc.).

OR

2. **an intermediate level of English** (i.e. Threshold level B2 or Higher of the Common European Framework of Reference for Languages) only for:
- students who wish to attend English taught modules or pick courses from any of Sapienza's English taught courses: <https://corsidilaurea.uniroma1.it/en>
 - students coming for their final research project, whose tutor accepts English as working language.

Students can demonstrate their level of English with an **official certificate** (TOEFL, IELTS, Cambridge) or **alternative qualifications** (i.e. certificate issued by the Home University, language centers/schools, etc.).

Please, also note that for the first semester of A.Y. 23/24, we cannot accept students in the Faculty of Pharmacy and Medicine.

IMPORTANT:

- Students who are planning to do research for their thesis are supposed to be already in touch with a Sapienza Professor. The name of the contact Professor will be requested during the nomination phase.
- Nominated staff must submit an invitation letter signed by one our Professors.

4. ACADEMIC OFFER & CALENDAR

4.1 ACADEMIC OFFER 2023-2024

Erasmus+ incoming students may apply for any programs offered by Sapienza University of Rome (both Italian and English-taught). Bachelor students may pick modules taught at Master level.

Sapienza's full academic offer is available at the following link (dynamic search tool): <http://corsidilaurea.uniroma1.it/en>.

Erasmus+ incoming staff may apply for any Faculty of Sapienza.

4.2 ACADEMIC CALENDAR 2023-2024

The academic year 2023/2024 officially starts on October 1st and ends on October 31st of the following year (<https://www.uniroma1.it/it/pagina/calendario-dellanno-accademico>). However, the teaching schedule varies from faculty to faculty: students are strongly recommended to request the specific academic calendar to the administrative office of their receiving faculty (<http://www.uniroma1.it/internazionale/studiare-e-lavorare-allestero/erasmusplus/area-gestione/raef>).

The 1st semester of the academic year 2023/2024 will start at the end of September 2023 and will end approximately on the 29th of February 2024. Examinations are usually held in January and February. Special exams sessions may be organized for students having to leave Sapienza prior to the official end of the semester, but these are very **rare cases** and have to be agreed upon with the relevant professors before the starting of classes.

5. UNDERSTANDING THE CONTRACTUAL DOCUMENTS AND LIST OF DOCUMENTS

Before the mobility starts, the candidate's institution must sign an inter-institutional agreement with Sapienza University of Rome.

The sending institution is responsible for selecting participants and providing them with all necessary support including pre-departure preparation, monitoring during mobility, and formally recognizing the mobility period. The receiving institution offers participants a study/research programme, or a programme of staff training or teaching activities. The inter-institutional agreement details the obligations of each institution (sending and hosting institution).

- [Inter-institutional agreement](#)

By signing an inter-institutional agreement, the institutions commit themselves to respecting the principles and quality requirements of the Erasmus Charter for Higher Education (ECHE) relating to the organisation and management of mobility, and agree on a series of measures to ensure high quality mobility.

- [Erasmus Charter for Higher Education \(ECHE\)](#)

The learning agreement sets out the study programme to be followed by the student, defines the target learning outcomes and specifies the formal recognition provisions. For more detailed information, please refer to these 'Guidelines on how to use the learning agreement for studies'.

Similarly, the mobility agreement for members of staff sets out the teaching or training programme to be followed, and lists the rights and obligations of each party.

7. FURTHER INFORMATION

For further questions, doubts or students/staff's withdrawals, please, contact the Erasmus+ Team at erasmusworld@uniroma1.it.

Finally, should you be interested in supporting a higher number of your outgoing students towards Sapienza, please, inform the Erasmus+ team when sending the list of nominated students. Sapienza can host a larger number of students if compared to the scholarships available. In such cases, extra students can come to Sapienza as zero EU grant, namely they are not due to pay fees to Sapienza, but they do not receive any E+ ICM scholarship.

We would like to take this opportunity to wish you a very successful academic year and we look forward to welcoming your students.

Yours sincerely,
Head of the International Office
Dr Maria Ester Scarano
