STUDY AREAS NOT OPEN TO EXCHANGE STUDENTS

The following areas of study are **NOT** open to exchange students:

- Medicine - Midwifery – Nursing – Physiotherapy – Chiropractic – Faculty of Law: 2nd year of Master (Master de Droit).
- Digital animations and video games (open to exchange students on request).
- Apprenticeship/work study programs where students spend part-time in class and part-time in a company are not opened to exchange students.

FRENCH LANGUAGE COURSES

All faculties/schools offer **French Language courses** for exchange students during the academic year. Please be aware that French as foreign language is not considered as a course taught in French since it is only open to international students.

COURSES TAUGHT IN ENGLISH

Please consult the most updated list of courses taught in English offered in our faculties and schools [on this link](#) or through the English version of our website (www.univ-catholille.fr/en)

under Menu > Study > Exchange programs & academic calendars > Courses Taught in English.

No official test is required for partner universities' students (we expect that exchange students have a sufficient level of English language). Except for Erasmus+ ICM applications (B2 level proof of English is required).

*To note: for exchange students wishing to attend courses taught in English at the **Faculty of Law**, we recommend having the following CEFR level B2.*

CEFR: Common European Framework of Reference for Languages. Please see the assessment grid [on this link](#).

COURSE REGISTRATION INFORMATION

It is very important that the students indicate a **provisional list of courses** on the *Université Catholique de Lille* Student Exchange Application Form.

To note: most of this list will not change but in some cases, it may happen that a course is not available at the time of enrolment. Departmental coordinators remain available for students during the add-and-drop period.

Exchange students are allowed to take classes in up to 2 faculties/schools of our University. The course list will be confirmed on arrival as clashes may occur in the schedule. We advise students to choose one main faculty/school for most of their classes and add other courses in the 2nd faculty/school

If a student is accepted, he/she will have to apply directly in the host faculty/school to get his/her student card and choose his/her courses. The confirmation of the chosen courses and the registration for the courses are **finalized upon arrival in France with the Departmental Coordinator in the host faculty/school.**

FULL-TIME ACADEMIC COURSE LOAD

In the **European Credit Transfer System (ECTS)**, the normal workload for a full-time student is 30 credits per semester.

It is up to the home institution to decide how many courses exchange students should take.

> However, we recommend taking a **minimum of 20 credits ECTS** especially for Erasmus+ ICM.

Average number of teaching hours per week: between **15 and 25 hours.**

GRADING SYSTEM

THE FRENCH GRADING SCALE IS FROM 0 TO 20

To consider the specificity of the different study areas offered at UCLille, our departments have to set up a grading scale that meets their own academic requirements and specificity.

You will find models of our **Grading Scales** [on this link](#).

In case you need further information, please consult our Departmental Coordinators (listed on pages 5, 6 and 7).

TRANSCRIPTS

Transcripts are mailed by the host school/faculty's departmental coordinator to the student, and to the home university exchange coordinator, **6 weeks after the end of the semester.**

Academic calendars

The academic calendar is divided into 2 semesters:

- **Semester 1 or Fall Semester:** it starts from end of August or early September and ends in December or January depending of the host faculty or school.

Medical form, health and additional insurance

MEDICAL FORM MANDATORY

The French Government has asked the French universities to verify the health situation of international students.

After your acceptance and to finalize your registration at the *Université Catholique de Lille*, you need to provide the medical form about disabilities, vaccines.

What you need to do:

- Fill out this form: It has to be filled out by your doctor.
- Provide it to our University Health Centre (CPSU) by e-mail cpsu@all-lacatho.fr or directly on arrival. The CPSU is situated on campus, 47 Bis rue du Port.

This is mandatory, in order for you to attend courses.

CPSU will inform us about the received form. If your form is missing, you will be required to have a compulsory medical examination here (and pay any related fees – for further information, please see the attached form)

Website: <https://www.all-lacatho.fr/en/health>

FRENCH HEALTH INSURANCE MANDATORY FREE OF CHARGE

Even if students come to France with their own health insurance, **the French Government requires non-European Union students (EU) spending more than 3 months in France to register with the French health insurance, called "Sécurité Sociale". It's free of charge.**

WHAT YOU NEED TO DO:

> Before you arrive in France:

Contact your native country's consulate or embassy in France for a list of sworn translators in order to get a certified copy of your birth certificate translated by a sworn translator with an official apostil (except if your birth certificate is written in English).

> Once you have arrived in France:

- Collect your certificate of registration (or « attestation de scolarité ») from your academic department (host faculty/host school).
- Open a French bank account to receive an IBAN number.
- Connect to <https://etudiant-etranger.ameli.fr/#/> and upload:
 - Copy of your passport
 - Copy of your student visa
 - Your certificate of registration from your academic department

- After examination of your documents, you will be able to download a certificate (« attestation provisoire de carte vitale ») that will enable you to be refunded for your health expenses.
- You can then submit:
 - IBAN
 - Certified copy of the original of your birth certificate, translated by a sworn translator.
 - Copy of your visa CESEDA validated by OFII (visa validation)

You will be able to see an explanatory video of the procedure on this [link](#).

Important:

- Sécurité sociale refunds about 70 % of medical costs.
- Sécurité sociale doesn't cover you if you travel outside of France, in case of repatriation or for civil liability.

HOUSING AND CIVIL LIABILITY INSURANCE MANDATORY

Purchasing a **housing insurance** as well as a **civil liability insurance** is mandatory for students.

Here are some examples of insurance companies:

- [SMENO](#)
- [ADH](#)

The civil liability insurance can often be included as an option in your housing insurance.

HEALTH INSURANCE OPTIONAL

Students have the option of getting complementary student insurance to obtain better refunds. **It is highly recommended that students take a complimentary health and travel insurance for the duration of their stay in France.** Indeed, the French Health Insurance "Sécurité Sociale", even though it is mandatory, the registration can take a few weeks after your arrival and it will be quicker and easier for you to get your healthcare costs reimbursed.

There are 2 main insurance companies in France:

- [SMENO](#) – see the section "Nos mutuelles santé" (You can use our 10% Discount Code **CDAHDF**)
- [LMDE](#) – see the section "Mutuelles santé"

The costs vary depending on the insurance company and the option chosen.
