

BAU

A Call for Abstracts/Papers for the 3<sup>rd</sup> Euro- Mediterranean  
University (EMUNI) Student Research Souk.

Beirut Arab University, in partnership with Saint Joseph University, Notre Dame University and the National Center for Scientific Research, is accepting abstracts from Lebanese Universities Graduate Students for the 3<sup>rd</sup> EMUNI Research Souk (ReSouk). The ReSouk is a multi-conference held at the same time at EMUNI members in different countries of the Euro-Mediterranean region. The ReSouk will be held at BAU (Beirut Campus) on March 21<sup>st</sup>, 2011. The competition offers graduate students in Lebanon the opportunity to showcase their research in the following ReSouk themes:

1. De-pollution of the Mediterranean.
2. Maritime and Land Highways.
3. Civil Protection.
4. Alternative Energies.
5. Higher Education and Research.
6. The Mediterranean Business Development Initiative.

Presentation and Publication

Selected papers presented in the ReSouk will be published in a special Proceeding. There will also be monetary prizes given to the best three papers in the ReSouk.

First place prize: \$1500

Second place prize: \$1000

Third place prize: \$500

## Abstract Submission

Graduate students who are Interested in presenting papers at the ReSouk should go to this link:
