advisable to apply for it immediately (students will receive written confirmation about their official acceptance at MU). The confirmation of their accommodation at Masaryk halls of residence will be mailed directly to the Czech Embassy or the Czech Consulate General Abroad).

Type of visa	Validity	Target student
Long term visa for the purpose of studies	up to 6 months	Semester exchange

All students coming with a visa are required to purchase a health travel insurance plan which complies with Czech Republic visa requirements. Students will receive further details on the health travel insurance after acceptance at MU.

See [web pages of Czech Ministry of Foreign Affairs](#) for more details.

■ Academic related information

Student home institution sets the policy regarding the award of credit for coursework completed at Masaryk University. Student is responsible for knowing home institution's policies and procedures regarding this matter.

However, Masaryk University does require exchange students to take at least 20 ECTS credits a semester

- Minimal ECTS workload to keep MU student status: 20 ECTS per semester
- Regular ECTS workload in order to graduate in regular number of years: 30 ECTS per semester.
- Students as well as a home-university coordinator are emailed the transcript of records by CIC MU. Additionally, original is sent only to the home-university coordinator.

■ Grading system

At Masaryk University, the ECTS grading system is used. The number of ECTS credits for each course

reflects number of hours a student is expected to devote to the course per week (in the form of lectures, homework, reading, essays, consultations, etc.).

The following scale of grades used at Masaryk University is a part of every transcript of record.

Courses with the type of completion „zk“ (zkouška – examination) or „kz“ (klasifikovaný zápočet – graded credit)

Grade designation	Grade	Value	Grade designation	Grade	Value
Excellent	A	1	Satisfactory	D	2,5
Very Good	B	1,5	Sufficients	E	3
Good	C	2	Failed	F	4

Courses with the type of completion „k“ (kolokvium – colloquium) and „z“ (zápočet – credit)

Grade designation	Grade	Recommended equivalent grade for recognition at home institution
Requirements fulfilled	Pass	Pass or A
Requirements not fulfilled	Fail	Fail or F

Note to MU grading system: It is impossible to issue attachments to MU transcript of records with estimated equivalent evaluation/percentage rate used at student home university. Herewith, it is advisable to make sure there is a policy at home university that it enables student to convert the ECTS grades into the evaluation in use there.

■ Travelling

Program Erasmus+ covers costs of return ticket for each grantee. Travel costs will be covered up to the limits set by Erasmus+ programme (transportation by car or taxi is not covered Erasmus+ program). Selected candidates are informed about travel arrangements. Before leaving home, students should advise host institution coordinator of the exact date and time of arrival (see official arrival date above). Grantees are required to submit originals of used boarding passes or tickets to Masaryk University. Brno has an excellent public transport system that serves the city and its surroundings.
