Name	UNIVERSIDAD AUTÓNOMA DE MADRID (UAM)
City, Country	Madrid, Spain
Website	www.uam.es
PIC number	999861354
About the university	<p>Universidad Autónoma de Madrid (UAM) is a public university with an outstanding international reputation for its high-quality teaching and research. Founded in 1968, it has been generally recognized as one of the best Spanish universities in both national and international rankings.</p> <p>UAM has the following Faculties/Schools: Science, Economics and Business Studies, Law, Art and Philosophy, Medicine, Psychology, Teachers' Training and Education, an Engineering School for Computer Science and several affiliated centres, offering a wide range of studies in humanities and scientific and technical fields. Currently it has about 30,000 students, about 2,800 professors and researchers and nearly 1,000 administrative staff. UAM has a distinguished reputation in research: in 2009 it was awarded the recognition of "Campus of International Excellence UAM+CSIC", a joint project with the Spanish National Research Council (CSIC). The support and development of high quality research have been among its objectives, and it has been rewarded with international recognition. These achievements have been attained thanks to its highly-valued research teams and research institutes.</p>
