OBJECTIVES:

The aim of the program is to offer general practitioners the opportunity to learn more about Endodontics. A series of lectures and instructional media coupled with hands on training followed by group discussions will offer to attendees the possibility to learn and train on the latest endodontic materials, tools and techniques for cleaning and shaping.

COURSE DETAILS:

DURATION: 2 DAYS (FRIDAY & SATURDAY)

QUALIFIED CANDIDATES: ALL DENTAL PRACTITIONERS

IN COLLABORATION WITH: ST. JOSEPH UNIVERSITY OF BEIRUT

COURSE SPEAKER:

Prof. Walid Nehme

- DDS, MSc, FICD

Clinical professor at the Endodontic
Department of Saint Joseph
University of Beirut.
