

Teaching Diploma (TD)¹

2019-2020

Competencies Framework and Program Requirements

Upon the completion of the teaching diploma program, learners should have enhanced their instructional and pedagogical skills in formal and non-formal education. TD graduates should have developed their professional as well as their humanistic competencies, using a reflective process. The exit profile of a typical graduate is based on the following learning outcomes:

- Facilitate innovative teaching strategies and pedagogical methods
- Promote a humanistic approach to teaching
- Practice personalized as well as collective coaching to the various stakeholders
- Engage in the dynamics of lifelong learning
- Integrate technology into classroom practices
