MESSAGE OF THE RECTOR

7 Reasons to Choose Saint Joseph University of Beirut

Do you have high expectations regarding your university studies? We can surely help you meet them.

I want a successful career

Studies at Saint Joseph University of Beirut are based on the European System of Transferable Credits (ECTS), which is recognized everywhere. Therefore, you will progressively pave your path in a program that will fulfill your professional goals and develop your skills.

I want quality education

In addition to obtaining the unconditional ACQUIN accreditation in 2019, all programs at Saint Joseph University of Beirut are recognized on a national and international level. Your future instructors are all renowned researchers in their fields. Not only will you gain knowledge, but you will also learn the right method to implement it in the working field.

I want to be guided

Instructors, tutor students, Information, Orientation, Career and Placement Offices... You will benefit from individual assistance. This was always part of our teaching methods for nearly a century and a half.

I want to discover the world

Starting your second year, you can choose to continue your studies at one of our 230 partner universities for a semester, or apply for a professional internship. You can also choose to pursue an international curriculum during either your Bachelor's or Master's degree.

I want to be part of a wide community

You can count on a wide community of over 100 000 Alumni from the University, spread all over Lebanon and abroad. Solidarity, employment opportunities and Lebanese patriotism are the key words of the USJ Federation of Alumni Associations.

I learn to coexist

To maintain the image of a pluralistic, multi-religious and multicultural Lebanon, the University gathers young students who take on the challenge of coexistence and learn to respect the diversity of opinions and convictions. It is a rewarding experience, therefore be a person who builds the Lebanon of fraternity.

I want to be committed

To practice sports, join cultural clubs, support the environment, reinforce open discussions, satisfy your thirst for knowledge and participate in the activities organized by the 70 clubs present on all Campuses... To be committed to all activities on Campus, to be part of communal, humanitarian and social projects or entertaining events: USJ is waiting for you.

Prof. Salim Daccache s.j.
Rector of Saint Joseph University of Beirut

WHY CHOOSE USJ?

Saint Joseph University of Beirut was established in **1875** and it became, ever since, a leader in academic achievements in Lebanon and the Middle East.

USJ includes **13** Faculties, **15** Institutes, **7** Schools and delivers more than **150** diplomas in Medical Sciences, Science and Technologies, Social Sciences, Art, Humanities and Religious Sciences.

It is currently home to **12 650** students and over **100 000** graduates.

In addition to being recognized internationally, the University obtained, in March 2019, an unconditional institutional accreditation from ACQUIN (Accreditation, Certification and Quality Assurance Institute), a prestigious German accreditation agency and a member of various international networks.

USJ has signed more than **370** agreements with **238** partner institutions across **43** countries around the world. In addition, it counts **33** double degree programs.

CAMPUSES

USJ has **5 Campuses in Beirut:**

Medical Sciences, Innovation and Sports, Human Sciences (all 3 on Damascus road), Social Sciences (Huvelin Street) and Science and Technology (Mar Roukoz).

The University also includes **3 regional Campuses** created to promote decentralization as well as university teaching all over the country.

These Campuses are located in:

- North Lebanon (Ras Maska – Koura)
- South Lebanon (Bramieh – Saïda)
- Zahleh and Beqaa (Hazerta and Taanayel)

ACADEMICS

USJ follows the European Credit Transfer System (ECTS). It is a flexible and international tool that measures and compares learning achievements, helps students easily transfer credits from one institution to another, hence making studies and courses more transparent. It also supports the planning, delivery and evaluation of higher education programs.

ECTS has been adopted by most of the countries in the European Higher Education Area as the national credit system and is increasingly used elsewhere. USJ Students can go abroad and study a degree that will be universally accepted all throughout the European Union and the world.

STUDENT INFORMATION AND ORIENTATION OFFICE

The Student Information and Orientation Office (SIO) is your access point to USJ. The SIO is a team of young professionals who provide future students with useful information and guidance in order to make a successful and right career choice. Delivering the simplest practical information to the most elaborate orientation, the SIO is always there to guide your first steps towards the University.

Information

We provide you with information about study programs offered at USJ (Bachelor's, Master's and PhD degrees), specialization options, prerequisites, admission and selection requirements, tuition fees, scholarships and financial aid offered by the University...

Orientation and Reorientation

We offer an individual orientation service through free sessions organized at the Orientation office. These sessions allow us to identify your interests and skills in order to determine the adequate field of study or profession that you are searching for. Moreover, if you have decided that your current major is no longer matching your academic and career goals and you want to explore other majors at USJ, we will help you find the right fit.

Student Shadowing

Want to spend a day in the life of a Saint Joseph University student? Throughout the year, we can organize "Student Shadowing" classes where you can attend a class at USJ, see what a real lecture is like and get a student's close-up on university life. Spending a few hours with USJ students will also be the perfect time for you to ask questions and find out everything you want to know about studying at our university. All you have to do is contact us and let us know what major interests you!
